Daren Morgan, Representing Indian River Ambulance Service, spoke to the Board about Theresa's contribution for next year's budget. They are requesting \$22,800 for the 2012 budget, which will be up around \$1,000.00. The ambulance is averaging 19 calls a month in Theresa. Supervisor Coolidge said that he has only heard good things about the service.

Rachel Roberts addressed the Board. She said that the job as Judge is challenging, rewarding and time consuming. The issues about the cleaning have been resolved. She stated that the Judges are working well together. She told the Board that she thinks her presence in the office riles up the girls out front and said she would be willing to work nights and weekends. She said she will not be yelled at again. Mrs. Delles said that she would address the issue when Mrs. Klepacz comes later on.

Supervisor Coolidge told the Judges that in a (10) year period from 2000 to 2009, a total of \$8,339.59 was spent in the Judge's Contractual Account. Already this year they have spent \$7,413.00, which is \$413.00 over what was budgeted for 2011. The Town Board decided to freeze expenditures for the Justice's Contractual Account except for postage. A \$506.60 bill for stamped envelopes was pulled from this months abstract. Mr. Folsom stated that Social Security has not been raised the past (2) years and that the Town needs to keep spending down. The Judges were asked about why they have so much mileage for bank deposits. Mr. Duvall told the Board that no one is allowed to make a deposit for them anymore.
